## MINUTES DAL AD MEETING

Friday, April 3, 2020

Via Zoom

AD's 10:00

All Schools were present.

### New Business

1. Report on the League Commissioners Teleconference with NCS Staff
  - a. As of April 3, no decision had been made at the CIF level about sports. Hopefully coming soon
  - b. Leagues reported when their districts may re-open - pending a decision at the state level
  - c. Throughout the section, all AD's and coaches would like to have some sort of league play only if possible
  - d. Where Principals commented to their league commissioners, if school resumes they want to cease sports and worry about getting students caught up academically, have finals, and get them graduated.
2. Fall Schedules -
  - a. Pat will get these out to AD's and Principals ASAP
3. Winter Divisions
  - a. Decisions were made for divisions. Pat will type up and get to everyone
4. Spring Sports
  - a. We had discussions about whether to redraw as this is year 2 of our cycle or carry the schedules forward
  - b. Pat reported that this was also discussed with the league commissioners as all leagues are in the same position. NCS reported that this will be discussed with the Exec Committee and there may be a decision to adjust the NCS bylaws to carry the spring schedules forward and realign spring sports next year for a one year period. More to come.
5. Communication protocol within the league
  - a. We discussed the issue that arose in golf. Please advise your coaches to work through you and not put out information to other coaches themselves. Information needs to come from the league through AD's.
6. As we don't know what decisions are going to come from the State CIF, the following items were tabled:
  - a. Spring All-League
  - b. Sport post season meetings - how to handle
  - c. Potential financial impact on the league next year

Next meeting: Pat Lickiss will work with the League President to set up a meeting via Zoom with all Principals and AD's.

Adjournment at 12:00
